## HOW TRUE THIS IS

Book Agents get the G.B., and Insurance Solicitors are shown the door, BUT the Postman is one caller who never gets the passover.

The best of salesmen are given the "Call Again" hold up, BUT the Postman is a welcome visitor—he always gets by.

THEREFORE, Advertising through the Mails invariably receives some attention and the best class of letters or booklets are always given mature consideration.

Get next to the Postman, he'll land your prospect.

**HOW TRUE THIS IS**

Book Agents get the G.B., and Insurance Solicitors are shown the door, BUT the Postman is one caller who never gets the passover.

The best of salesmen are given the "Call Again" hold up, BUT the Postman is a welcome visitor—he always gets by.

THEREFORE, Advertising through the Mails invariably receives some attention and the best class of letters or booklets are always given mature consideration.

Get next to the Postman, he'll land your prospect.

## HOW TRUE THIS IS

Book Agents get the G.B., and Insurance Solicitors are shown the door, BUT the Postman is one caller who never gets the passover.

The best of salesmen are given the "Call Again" hold up, BUT the Postman is a welcome visitor—he always gets by.

THEREFORE, Advertising through the Mails invariably receives some attention and the best class of letters or booklets are always given mature consideration.

Get next to the Postman, he'll land your prospect.
